 - C. Legal provisions
 - D. Law on protection from harassment at the workplace
 - E. Guidelines for action in the future
- 4. Methodology of the research
 - A. The emergence and motive of the research
 - B. Problem and subject of the research
 - C. Purpose and objectives of the research
 - D. Methodological framework
 - i. Type of research
 - ii. Research paradigm
 - ii. Research design
 - iv. Pre-survey conducted
 - v. A hypothetical framework
 - General hypothesis
 - Auxiliary and individual hypotheses
 - Indicators
 - E. Procedures and instruments for collecting data
 - 5. Analysis and interpretation of the results from the research
 - A. Analysis of data from the aspect of age and the perceptions of the researched phenomenon
 - B. Analysis from the aspect of the level of education
 - C. Analysis from the aspect of gender
 - D. Additional remarks from the summarized answers
- 6. Conclusion, consideration and recommendations, consulted literature
 - A. Home
 - B. Supported
 - C. Internet sources
 - D. Newspapers
